Young people will learn how to work with the color palette for watercolors and be able to go home and apply what they've learned, taking home a finished painting. Selma will be available for ongoing lessons at Manzanita Arts Emporium. Students will be able to sign up for continuing lessons with her after this first session. Bring your favorite watercolor set and brushes, but if you don't have them, Selma can provide.

Selma Sattin was born and raised in Massachusetts, the granddaughter of Eastern European immigrants. She graduated from the Beth Israel School of Nursing in Boston in 1963 and has worked for more than thirty years in the nursing profession. She graduated from UCLA in 1984 with a BA degree in Anthropology with Honors.

Selma's interest in the fine arts began in childhood and paved the way for a second career as a watercolor artist. At age 60, she began studying watercolor painting with Murphys artist Carolyn Macpherson. She quickly developed her own unique style of adventuresome design using a palette of bold colors. Selma's love of nature and the sea inspires her art. Two of her paintings, "Shell on Black" and "Delphiniums" received Best of Show awards. Selma lives in Copperopolis in beautiful Calaveras County.
