

# *“The Exposure Triangle: 101”*

*Beyond Auto Mode -Advance and Create  
Class with local landscape photographer  
Cristi Canepa*

Cristi Canepa welcomes everyone who wants to bring their camera skills to a new level with her class on Wednesday evening, July 19, from 6:30 to 8 pm at the Manzanita Arts Emporium, 1211 South Main Street in historic Angels Camp. The \$25 cost for the class covers all materials.

Her class includes coverage in the basics of understanding the exposure triangle of aperture, shutter speed, and ISO (sensitivity of image sensor) and tips on the best ways to compose photos. Participants at all skill levels bring their own camera to class and learn how to make the most of their equipment, working directly with Canepa to create images of increased style and sophistication.

Due to this subject’s popularity, spaces in the class will fill quickly. Reserve a space by calling 209-728-6171 or clicking on [manzapress.com](http://manzapress.com). Use a credit card or send a check to Manzanita Arts Emporium, PO Box 460, Angels Camp, CA 95222.
